

the check isn't in the mail

## online bill pay makes it easy to think out of the box

Forget about going to the mailbox to get your energy bill, opening the envelope, writing a check, stuffing and sealing an envelope, buying and putting on a stamp, going back to the mailbox to mail the payment. With online bill pay, total ease and convenience are in your hands. Along with saving time and money, online bill pay saves paper. In fact, if all our customers viewed and paid their bill online, we could save more than 50 tons of paper a year. So check it out. Just visit [mge.com/payonline](http://mge.com/payonline).
