

# a new way to pay

a guide for paying  
your energy bill in person

## if you pay your mge bill in person...

Paying your MGE bill in person will change from banks to retail outlets. These new locations will be available beginning April 2007. After June 1, 2007, you will no longer be able to pay your MGE bill at a bank.

The new locations offer:

- **Improved convenience.** The new locations (see listing at right) are open longer hours and most are available seven days a week.
- **Greater security and reliability.** Electronic payment processing at the service desk of these new outlets will eliminate processing delays and reduce the risk of late payment charges. Your payment will be credited to your account within 2 business days.
- **Quick and easy.** Pay your MGE bill at any of these participating retail merchants. Pay by cash, check, money order or cashier's check (sorry, no debit or credit cards).
