

Resources from MGE for saving energy

- **Madison Gas and Electric Home Energy Line 252-7117, mge.com**

Call the Home Energy Line for energy-related advice. Comparison tools and energy information are at mge.com. MGE customers can track their energy use online.

- **ENERGY STAR®, energystar.gov**

Information on energy-efficient appliances and equipment, home improvement advice, tax credit information plus an online energy yardstick.

- **Focus on Energy 1-800-762-7077, focusonenergy.com**

State program that offers cash-back rewards, home energy audits and advice on renewable energy (solar, wind).

- **Portable Energy Meter**

Find out the exact operating cost of various appliances. Borrow a portable energy meter at no cost from your local public library.

- **CO2gether, co2gether.org/my_co2/index.htm**

Track your carbon footprint. Automatically enters gas and electric use for MGE customers.

Resources for income-eligible households

- **Energy Services, 267-8601**

Energy assistance grants. Special needs cases also receive furnace, emergency and crisis energy assistance grants/services (Dane County, income-based).

- **Home Energy Plus, 1-866-HEATWIS (432-8947), homeenergyplus.wi.gov/**

Energy and weatherization assistance (income based).

- **Targeted Home Performance (through Focus on Energy), 1-800-762-7077, focusonenergy.com**

Assists qualifying income-eligible Wisconsin residents in making energy efficiency improvements to their homes (income-based).
