

EnAct steps add up to:

- *1.5 fewer tons of CO₂ emitted
- *12,500 fewer gallons of water used
- *196 fewer pounds of garbage created
- *1,400 fewer miles driven

***Household savings: \$346**

*Average annual savings per EnAct participating household in 2003-08

We must be the change we wish to see in the world.
