

## Miscellaneous Service Credits

### PARALLEL GENERATION BUYBACK RATES

1. Customers not served on a time-of-use electric rate schedule:

|                                       | Primary<br>Service | Secondary<br>Service |   |
|---------------------------------------|--------------------|----------------------|---|
| Base energy all kWh, per kWh .....    | \$0.03848          | \$0.03817            | R |
| Capacity adder all kWh, per kWh ..... | \$0.00016          | \$0.00016            |   |

2. Customers served on a time-of-use electric rate schedule:

|  | Primary<br>Service | Secondary<br>Service |   |
|--|--------------------|----------------------|---|
| On-peak period 1 energy adder, per kWh .....   | \$0.01286          | \$0.01270            | R |
| On-peak period 2 energy adder, per kWh .....   | \$0.01286          | \$0.01270            | R |
| On-peak period 3 energy adder, per kWh .....   | \$0.01286          | \$0.01270            | R |
| Base energy all kWh, per kWh .....             | \$0.03398          | \$0.03373            | R |
| On-peak period 1 capacity adder, per kWh ..... | \$0.00045          | \$0.00045            |   |
| On-peak period 2 capacity adder, per kWh ..... | \$0.00045          | \$0.00045            |   |
| On-peak period 3 capacity adder, per kWh ..... | \$0.00045          | \$0.00045            |   |

The base energy rates shown in Nos. 1 and 2 as well as each on-peak energy adder shown in No. 2 will be reset annually on January 1 of each year based on the hourly average Day-Ahead Locational Marginal Prices at the MGE load zone of the most recently completed November 1 to October 31 period.

The capacity adders shown in Nos. 1 and 2 will be reset annually on January 1 of each year based on the most recent Midcontinent Independent System Operator (MISO) capacity auction results for the relevant Local Resource Zone, which at present is Eastern Wisconsin and Upper Michigan (Z2).

### PRICING PERIOD DEFINITIONS

On-Peak Period 1      10 a.m. through 1 p.m.: Monday through Friday, excluding holidays.

On-Peak Period 2      1 p.m. through 6 p.m.: Monday through Friday, excluding holidays.

On-Peak Period 3      6 p.m. through 9 p.m.: Monday through Friday, excluding holidays.

Base Energy Period:   Includes all hours of all days.

Holidays:                New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas.
