

**Behind on your bill?  
We can help you set up a payment agreement.**

# Keep the power on.

If you have fallen behind on your bills, our Deferred Payment Agreement (DPA) can help make it easier for you to catch up.

With a DPA, we work with you to create a plan for you to pay your current bill and a portion of past-due bills each month until you get caught up. Once established on this plan, you also are eligible for the Budget Payment Plan, which keeps your energy bills consistent throughout the year.

Call us weekdays at (608) 252-7144 between 7 a.m. and 7 p.m. to set up your DPA today.
