

**We're putting a spotlight
on energy efficiency!**

Focus on Energy offers energy-saving incentives to Wisconsin residents. Check out these available programs:

Simple Energy Kits

Do you know a simple way to use less energy and save money? Sign up for a free energy kit that contains a variety of products such as ENERGY STAR® LED lightbulbs, a high-efficiency showerhead, water-saving faucet aerators and power strips.

Appliance Recycling

Do you have an old refrigerator or freezer in your basement or garage? Focus on Energy's Appliance Recycling program will pick it up for free, recycle it and give you a \$20 incentive.

Smart Thermostat Incentive

Buying a smart thermostat just got even smarter! If you've been thinking about upgrading to a smart thermostat, Focus on Energy now offers a \$50 incentive.

Whole Home Improvements

The Whole Home Improvements program boosts comfort and energy efficiency by looking at your home as a system. Starting with a home energy assessment, you'll receive a clear road map of recommended improvements, cash incentives and guidance to help you use energy smarter.

Learn more about these incentives by visiting focusonenergy.com. Get more energy-saving tips at energy2030together.com.
