

Budget Payment Plan

Budget for winter heating costs by signing up for MGE's Budget Payment Plan!

To determine your monthly payment, we estimate your annual energy costs for the upcoming year based on your previous bills and expected changes in energy costs.

Your monthly amount will stay the same for a minimum of six months. After six months, your account will be reviewed to ensure your budget payment reflects your actual energy use. If your energy use has changed, we'll adjust your monthly budget payment amount and review again in six months. If your energy use has not changed, we will continue to monitor your account monthly.

Sign up for the Budget Payment Plan in My Account or by calling 608-252-7080 or 1-866-252-7080.
