

all for one.
one for all.

Summary Billing combines all your
MGE bills into one statement with
one due date.

Simplify the bill payment process for your business.

- Consolidate your MGE accounts into one bill with one due date.
- Organize your bills by region, department, location, etc.
- Save time and money processing utility bills.
- Pay securely online using My Bill Pay, MGE's online billing and payment system.
- Track energy savings when new equipment is installed.
- Download data rather than manually entering it into a spreadsheet.
